

## Set the craze with Twilightzone's well-crafted track 'Beserkin'

If you are looking for some good music then you must listen to Twilightzone's new track 'Beserkin'. The way he crafted the lyrics and music is heart-catching.

Hurst, Dec 31, 1969 ([Issuewire.com](http://Issuewire.com)) - [Twilightzone](#) is rocking the music industry with his brilliant performance. He is much focused and goal oriented person who loves challenges. He produced music under the label name Flatline Cartel. The way ROBERT WILLIAMS crafted the music in his track it makes the listeners tap their feet. He received inspiration from Crunk music or club music

likes twerk songs. Instrumentation and subsequent riff in his track '[Beserkin](#)' create an organic aura. The voice and the movement of the music build an even stronger overall groove.

As the track '**Beserkin**' progresses the concept of the song inspires sense positivity. The latter half of **Twilightzone**'s song introduces a contrasting level of energy. The perfect rhythmic performance in the track works flawlessly in keeping the vibe strong and entertaining. The way he crafted the track '**Beserkin**' it is a structurally effective and ever-changing piece of music. The hypnotic beats and lyrics connect with the listeners in a remarkable way. His performance in the track is becoming more and more impressive and indeed mesmerizing as it progresses.

The rise and the fall of the music in the track '**Beserkin**' by the famous United States artist **Twilightzone** are fairly uplifting. The verse holds the listener's attention from the start to end of the track. The soundscape is subtle and allows the listeners to stay focused on the words and rhythm. You can also listen to his songs on Spotify and Soundcloud. He is working on his new project titled 'DIRECT DEPOSIT' which will release in this summer.
