

## Shine Soaps Brings A Redefined Experience To Natural Soaps Like Never Before

Shine Soaps

**New York, Feb 9, 2019** ([Issuewire.com](http://Issuewire.com)) - Shine Soaps, a company that is well known for their high-flying deeds in the area of producing all forms of natural soap bars for all purposes to give their customers bright and glowing skin.

Shine Soaps products are all handcrafted in New York City. All of their products are vegan-friendly and

do not contain any kind of chemicals whatsoever.

*"I use it daily for face cleansing and when I'm done, my skin feels so soft and supple, with a natural glow. I love and recommend the lemon fragrance"* said Christina, one of the customers of Shine Soaps. *"I'm very careful about the types of product I choose for my skincare routine and I can honestly say this is the best natural soap I've ever used"* Luiza, another customer added.

All of the ingredients used for all their natural products come from USDA certified suppliers in the USA.

## About Shine Soaps

Shine Soaps was founded by Carlos Feitosa, a high school student who moved to the US from Brazil in 2015. Through his family farm, he developed a passion for natural products. Shine Soaps has 'bubbled' from a high school project to a real natural products business.
