Safe Harbor Statement

The matters discussed, particularly information regarding future revenue, earnings, business plans and goals, consist of forward-looking information within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934 and are subject to the safe harbor created by these sections and involve risks and uncertainties, which could cause actual results to differ materially from the forward-looking information. Such statements are not guarantees of future performance and involve risks, uncertainties and assumptions that are difficult to predict. These statements are based on assumptions and estimates that management believes are reasonable based on currently available information; however, management's assumptions and the Company's future performance are both subject to a wide range of business risks and uncertainties, and there is no assurance that these goals and projections can or will be met. Any number of factors could cause actual results to differ materially. The Company undertakes no obligation to publicly update or revise any forward-looking statements. All forward-looking information contained herein is subject to the risk factors and uncertainties described in the Company's filings with the Securities and Exchange Commission, which risk factors and uncertainties are incorporated by reference as though fully set forth herein.
