

Strikes For Kids to Partner with Backpacks USA for 2019 Backpack Giveaway Program

Sacramento, Feb 25, 2019 (IssueWire.com) - Strikes For Kids has partnered up with Backpacks USA, a division of A.M.D.A. - David's Wholesale of Dallas, Texas and Miami, Florida. They specialize in importing high quality, low priced wholesale products. Backpacks USA has been in business for more than 22 years.

They carry the best style value and selection in wholesale backpacks and accessories. Their goal is to provide their customers with quality products for a great price with superior service.

Strikes For Kids is a 501(c)(3) national charitable organization. Since our inception in 2012, we have organized over 100 bowling, softball and golf events. Strikes For Kids partners with more than 125 NFL, NBA, MLB and MMA athletes to allow fans and their families the rare opportunity to mingle with professional athletes for an enjoyable afternoon/evening of fun while supporting a worthy cause at an affordable cost. Strikes For Kids also provides local businesses with a unique opportunity to create a team building exercise while seeing their tax-deductible donation impact lives.

Our mission is to coordinate these events nationally that empower and inspire the youth to achieve their goals and motivate them to become the leaders of tomorrow. We enrich the lives of students and youth

organizations in the community in which these events are held by partnering up with various organizations that reward the children for their hard work in the classroom, demonstrating great behavior and excelling in sports.

The Strikes For Kids Backpack Giveaway acknowledges the financial burden school supplies can be on families. The purpose of this program is alleviating some of the back to school stress by providing backpacks filled with school supplies. The Strikes For Kids Backpack Giveaway Program, presented by Dollar Days, provided approximately 2,000 backpacks filled with school supplies in our first year of the program in 2017 and 3,500 in 2018. 2019 will be a bigger year as we plan to exceed 4,000 to students nationwide ensuring a prosperous start to the school year.
