

Subodh Bajpai Photography is stamping its presence with Cinematic Wedding Films

Lucknow, Feb 5, 2019 (Issuewire.com) - Wedding photography is a highly creative and extremely demanding market. With the fast pacing rise in technology, cinematic wedding films are the latest trend, adding a whole new perspective to Indian weddings. Subodh Bajpai Photography is a leading firm in Lucknow that says yes to the top wedding trends. Since 2013, the firm has been delivering a range of wedding photography services that has made them one of the top names in this market. Presently it has more than 2 thousand happy clients.

Subodh Bajpai Photography is the brainchild of Mr. Subodh Bajpai, who is a passionate and trained wedding photographer himself. The team consists of 82 highly skilled professionals rendering photography, videography, editing and other technical services. The team specializes in pre-wedding, photography, photo and video services for wedding-related events like Mehendi, Sangeet, Baraat, Reception and much more, destination wedding photography and candid wedding photography.

When asked about what new would Subodh Bajpai Photography offer to its clients, its founder

emphasized on [Cinematic Wedding Films](#). He elaborated, “A wedding is a beautiful love story to be retold in the most romantically creative ways. Cinematic wedding films, in my opinion, are the best way to retell a wedding story and our desire to master this genre with a style of our own.”

The company aims to expand and extend their services to other regions in the country. They want to stand out in the huge market by having their own distinct style. Mr. Subodh Bajpai said, “With the recent rise in the popularity of the cinematic and 'movie' style wedding videos, we are proud to capture this trend in the market. We think of ourselves as storytellers through the lens of our camera. We want to bring depth to our wedding videos by highlighting the emotions involved at the moment.” This is what the team strives to achieve with every wedding they cover.

From big fat Indian weddings in theme-based royal weddings, dreamlike fairy tale [pre-wedding shoots](#) to exotic destination weddings, the team of Subodh Bajpai Photography has done it all. Their experience and creative outlook ensure that the clients receive the best always.
