

The Gorgeous Ambience in the New Music Video ‘Soja O Nindiya’ by Ajay Rekhi is Captivating

Mixing RnB and soul, the brilliant artist Ajay Rekhi has bought a new hit for the audience titled as ‘Soja O Nindiya’. Don’t miss this alluring video on YouTube.

Toronto, Dec 31, 1969 (IssueWire.com) - The amazing artist **Ajay Rekhi** is known all over the world for his soulful creations. Taking in elements for what he experiences in real life he communicates with his fans through his amazing music video. Each of his music videos has a storyline imbued in them. His latest creation ‘[Soja O Nindiya](#)’ is also the same. There is a theme incorporated in the music video that every individual can relate to. Hailing from Canada he wants the world to be aware of his music. The artist is also known as Ajay Aman Rekhi by his family and is on his way to create his place in the music industry. The lyrics, music including the voice have been contributed by the artist himself.

The level of creativity shown by **Ajay Rekhi** in his latest music clip ‘**Soja O Nindiya**’ holds no comparison in the industry. The video starts with the image of a butterfly being engulfed in smoke. This symbolises that innocence replaced by experience as an individual grows up. The girl being tossed in her sleep shows how restless people are in their life. As the video progresses you will come across an image of the sunset. This focuses on dreams that we dwell upon at the end of the day. However, the lighthouse symbolises hope. **Ajay Rekhi** through this wanted to tell his fans not to give

up no matter the situation. The various places shown in the video '**Soja O Nindiya**' indicates that everyone needs to enjoy life once a while.

It can easily be said that the music clip '**Soja O Nindiya**' is a part of the soul genre. Ajay Rekhi has placed a soulful soundscape in the audio part making it synchronise perfectly with the video of the track. The voice of **Ajay Rekhi** brings out the depth of the song. It is the relatability of the track that has bought the audience closer to the artist. The listeners can easily understand the perspective of the artist as the track progresses. The video '**Soja O Nindiya**' brings out the passion of the artist. The high quality and intense can be described as mesmerising. Some of his other creations available on YouTube are 'Kuch Wo Yaadein', 'I Wanna Go Home', 'Koi mujhse mera' etc. You can connect with the artist on YouTube.
