

This Budget will provide the much needed stimulus to the Indian Economy, says Dr. Ajeenkya DY Patil

Mumbai, Feb 2, 2019 ([IssueWire.com](http://www.IssueWire.com)) - Speaking on the Budget day, Dr. Ajeenkya Patil, Chairman, Ajeenkya D Y Patil Group, opined “Piyush Goyal has maintained the delicate balance between the urban and rural sector in this budget. He has provided the much-needed stimulus to the Indian economy in the form of tax reliefs and this I believe in turn will boost consumption. The intent is loud and clear, we look forward to equally aggressive implementations on the ground. At a personal level, I must compliment him also on a very well delivered budget speech. It is not very easy to deliver a budget speech, especially when the country is due for elections.”
