

TMS Technov M Systems Pvt Ltd Announces Participation in Trade Mission to Singapore

INTERNATIONAL
TRADE
COUNCIL

Chennai, Feb 21, 2019 (Issuewire.com) - TMS Technov M Systems P Ltd today announced that it will be participating in the International Trade Council's Trade Mission to Singapore from March 25 to March 28, 2019.

TMS Technov M Systems P Ltd was founded with core objectives to innovate technologies, to develop

and apply them across the sectors and to deliver and replicate the technology into a feasible and scalable model.

"The Trade Mission to Singapore presents an invaluable opportunity for TMS Technov M Systems P Ltd to continue forging lasting international relationships and to promote ongoing bilateral cooperation with companies in Asia," said Srinivasa Prabhu Balasubramaniam, Director - Technology. "TMS Technov M Systems P Ltd's participation in this Trade Mission will grow our position as a market leader in the Manufacturing and IT field."

Included in the trade mission will be a series of networking events, seminars and presentations about business opportunities in Singapore, on-site visits and business-to-business meetings arranged by the International Trade Council.

During the trade mission, TMS Technov M Systems P Ltd will also be an invited guest at Internet of Things Asia (<http://www.internetofthingsasia.com>) – an award-winning event, bringing together solutions providers, technology heads, design/solution architects, engineers, academic institutions, investors and start-ups together for an enriching learning and sharing experience.

Companies wishing to schedule a meeting with TMS Technov M Systems P Ltd during the visit may contact the Trade Council's office in Singapore or email sing-mission@tradecouncil.org. For more information about TMS Technov M Systems P Ltd please visit www.technovmsystems.com

About the International Trade Council

The International Trade Council is a 64-year-old peak body Chamber of Commerce representing government export agencies, chambers of commerce and industry associations and businesses from 176 countries. The Council works with businesses to introduce them to new markets, understand the competitive landscape, find new customers, understand potential technical barriers to trade and meet the challenges of expanding in new and/or competitive environments. Council members include 19 national chambers of commerce, 59 state chambers of commerce, 73 government export agencies and 314 local business associations and chambers and approximately 28,800 direct corporate members.

About TMS Technov M Systems Pvt Ltd

TMS has pioneered in providing technology specific solutions in areas related to strategic Management Mechanisms through micro-improvisations in the existing technology and business processes.
