

## Toshniwal Industries Pvt. Ltd., is Pleased to Announce its association with SDT Ultrasound Solutions

# Toshniwal Industries Pvt. Ltd

**Ajmer, Feb 12, 2019 ([Issuewire.com](http://Issuewire.com))** - Toshniwal Industries Pvt Ltd is pleased to announce its appointment as an Indian distributor of SDT Ultrasound Solutions for their complete range of products.

This association is very exciting for both organizations. It combines the TIPL's 60 years of experience in Industrial Instrumentation with SDT's world best Ultrasound monitoring solutions.

Ultrasound detectors sense high-frequency signals and convert them into corresponding audible sounds while maintaining their original characteristics and qualities. They give you the ability to predict failures, control energy costs and improve product quality. Ultrasound is a pillar of your asset condition management strategy.

Ultrasound Detectors detect, measure and analyze friction and impacting in mechanical systems. Turbulent flow from compressed air and steam leaks which helps you quickly identify costly energy waste.

### **About SDT Ultrasound Solutions**

SDT Ultrasound Solutions is the global leader for ultrasound condition-based monitoring systems. They offer a balance of high-quality instruments, intuitive software that gives customers a greater understanding of the health of their factory. They help them predict failures, control energy costs and improve product quality while contributing to the overall uptime of their assets.
