

## Virginia Electronic Musician Mysti Keeps the Techno Genre Alive through her Compositions

The rise and fall of the melodic progression in the compositions of Mysti has astounding musical rhythm. You can listen to her spellbinding tracks on Soundcloud.

**Lynchburg, Dec 31, 1969 ([Issuewire.com](http://Issuewire.com))** - The talented artist **Mysti** who is also known as Mysti Arojan wanted to wow the audience with something new through her recent creations. While going through her tracks listeners are familiarised with a deep or gory theme imbibed in each of the tracks. Taking influences of genres like electronic rock, techno, metal and many more she creates tracks with unique fusions of multiple genres. What she started as a hobby soon turned out to be something intense and captivating that attracted audiences worldwide. Taking matters from real life experiences she speaks with the world through her creations. However, **Mysti's** new creations are the absolute party tracks that will lighten up the audience spirits in no time.

Two of **Mysti's** new tracks '[Last Laugh.](#)' and '[Electroid](#)' can be described as fusions of multiple styles and elements. 'Last laugh' is quite different from 'Electroid' in its composition. The track has got lighter tones to it which is perfect to rejuvenate the listeners at the end of the day. The melody from the very begging is kept soothing which is followed by the intense bass and groovy beats. It forms the ultimate party composition to be enjoyed with friends and family. 'Electroid' on the other hand has an electronic metal soundscape to it. It is easy to lose yourself while you are listening to the track.

This [Virginia electronic musician Mysti](#) has depth and creativity in each of her creation. Some of her other tracks such as 'Final Encounter', 'Wubalubadub', 'Hallow Screams' are trending worldwide owing to their unique and one of a kind soundscape. She wants her music to be motivational for the listeners. **Mysti**'s evolvment as an artist can be seen by the increasing number of fan following in her social media.
