

Viveck Shetty inaugurates CREATIONS' 2019 at Nirmala Niketan Polytechnic

Mumbai, Feb 18, 2019 (Issuewire.com) - **Viveck Shetty** took centre stage last weekend as the Chief Guest and inaugurated ' **CREATIONS 2019** ' an exhibition of fashion design, interior design and commercial art. This fabulous exhibition by the students of **Nirmala Niketan Polytechnic** was held at their sprawling campus at Marine Lines.

Speaking on the occasion , **Viveck Shetty** , CEO , **Indus Communications** opined “ I can see real solid effort by the students of **Nirmala Niketan Polytechnic** in this three day exhibition . Some great talent is on display and they are very much in tune with current trends in the industries of fashion , advertising and interior design . I compliment **Nina Dias** , Director , **Nirmala Niketan Polytechnic** and all their heads of department of the various faculties and team members for great mentoring of the students .

Viveck Shetty is also a motivational speaker and a mystic, with specialisation in life Sciences and Mystic Knowledge, and with over four hundred lectures to his credit across various management forums , universities , social organisations and other prestigious public platforms . He combines music and motivation in a unique format and touches the very core of the audience he chooses to address . He is also the lead singer of his band and manages to combine , music , motivation , yoga , singing and writing with equal ease and elan . He also conducted ‘**Mann – Ek Kalpavruksh**’ that translates to ‘**The Mind – A Wishing Tree**’, the first programme of its kind on the human mind on television.

There was an over whelming response to this exhibition from all sections of society and we look forward to a lot more from the highly talented students of **Nirmala Niketan Polytechnic**.
