

Zose Media Presents 2018 IFSM Fashion WeekLA

IFSM Fashion WeekLA Hold By Zose Media at Exchange LA

Los Angeles, Feb 13, 2019 ([IssueWire.com](http://www.IssueWire.com)) - The 2018 edition of leading Los Angeles red carpet event, IFSM Fashion WeekLA, takes a giant leap by moving the event to Exchange LA Zose Media Production, organizers of one of the premier red carpet events during Los Angeles Fashion Week, has announced that they will be taking the event to a whole new level by moving it to Exchange LA, 2018.

IFSM Fashion Week LA Fashion Runway has recorded unparalleled success at OHM Hollywood, CA and the partnership has decided to take advantage of new opportunities to bring the best of fashion to the world.

The 2018 edition of the show will feature all the amazing elements of a captivating Fashion Show – a world-class production, the hottest up-and-coming designers, and an exclusive slice of the LA's fashionable elite. The primary goal of the event is to reiterate ZOSE's mission of multicultural arts promotion, ethnic diversity, and positive image remain strong. In this vein, the organizers are proud to continue the tradition of promoting popular, up and coming artists, fashion designers and other such stakeholders in the fashion industry.

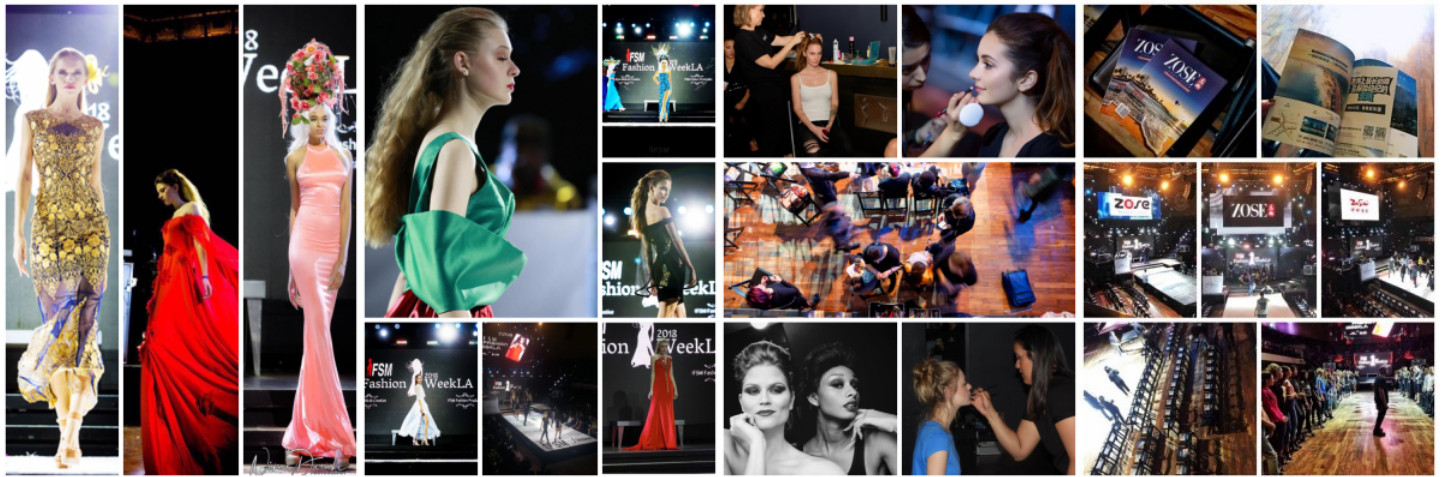

IFSM has made a known for itself for offering a crossover platform between the United States and Asia for the textile and fashion industry. It has continued to improve comprehension and promotion for the International Fashion Runway Committee and the International Fashion Super Model Committees communication within the art and fashion world.

The event is scheduled to hold at the month of March/October 2018 and will feature an alluring red carpet reception, world-class fashion brands such as Giorgio Armani, Emporio Armani, Versace, and MaxMara as well as a sneak preview of their 2018 spring and summer collections, fashion runway show, and live entertainment amongst others.

The 2018 edition of the IFSM Fashion WeekLA will also bring an exchange of perspectives and experience among fashion designers, celebrities, artists, and fashion models making the IFSM Fashion WeekLA a world-class event worthy of the highest esteem and the greatest anticipation and support.

This year's edition of the show will also come with some amazing changes to make it even more interesting to attendees and participants. One of such changes is the production process, as it has been revamped to make every seat feel like a front row seat, with support coming from IFSM Fashion SuperModels as well as Fashion eTalks.

IFSM Fashion Production looks forward to continuing its excellent relationship with stakeholders in the entertainment and fashion industry including artist, sponsors, designers, press, and all of its fans.
