True to her name, ‘Delicassie’ s’ singing and writing style is sweet, soft and unique filled with an amalgamation of fragile emotions inspired by the sensitive circumstances that she had to overcome in her past. In her childhood, she has suffered from sexual abuse and to get rid of the built-up negative energies, she started expressing the abuse by writing in her diary which was later destroyed by the abuser. As solidarity to her awful past experiences, Delicassie used the gift of expressing her pain through music and turned all the negative things in life to positive. After being abused for many years, Delicassie found solace in Christ and released her debut single in the year 2012 called ‘JanedoeFlow’ that was themed around her experiences of child abuse and sexual abuse.

As a kid, Delicassie grew up in the church and got noticed for her sensational singing talent at various church events. For some years, she wandered away from God until the time she sang again for US navy carriers gospel choir to pass her time. Throughout her career, she has collaborated with artist like Chris Tomlin, Kirk Franklin, Tasha Cobbs and Tye Tribbett in creating positive praise and worship music in the name of Almighty. In the year 2017, she was born again Christian and now wants to spread positive messages through her music and write songs about the love of God, joy, grace, praise and positive inspiration.

“For many are called, but few are chosen” Matthew 22:14 KJV
