Painters in the Abundant Art gallery portfolio such as [Animesh Biswas](#), and [Srimanta Das](#) etc. represent this trend of contemporary Indian artists while inspired by past idioms still seek out individual expressions

Apart from painters, Abundant Art Gallery also features some striking photography of renowned photographers. [Sunil K Dutt](#) is one of the Abundant Art Gallery's featured Photographers. As an acclaimed photojournalist, he is famous for his vignettes of Kolkata life and his portrayal of Mother Teresa

Artworks can be bought from the Abundant Art Gallery [Indian painting online](#) or through. The influence of impressionism, expressionism, surrealism, and other aspects of Western art has evidently enriched Indian contemporary art. Whether it is painting or sculpting, this inclination toward the West is very much prevalent in contemporary Indian art. Still, the intrinsic Indian flavor is very much there, and this is where Indian contemporary art stands apart from the rest.
