

## Aoxuan Lee No Matter Beauty Or Ugliness, Live A Real Life

**Beijing, Mar 20, 2019** ([IssueWire.com](http://www.IssueWire.com)) - In his nearly twenty years of musical career, Aoxuan Lee [Instagram](https://www.instagram.com/aoxuanlee/) <https://www.instagram.com/aoxuanlee/> has gradually moved from students to all-around artists. Every transition is marked by a fresh look. The first single released in 2018 was well received by entertainment companies and music producers in the industry. He broke into the current pop music market like a black horse, and he also gained the importance of a striking wardrobe.

Aoxuan Lee has no height like a model, but this does not prevent him from dressing boldly, slightly changing, finding a suit that suits his mood. He did not hide his love for clothes, and Aoxuan Lee also avoided many traps in which other fashion-obsessed celebrities fell into it. He has always been separated from the stage and the casual fashion style chosen in reality. Even his most casual appearance has many different flavors. For Aoxuan Lee, every day is a chance to dress up, and with his constant new tracks, his dress style will soon be everywhere.

The concept of Aoxuan Lee for fashion is to be true to yourself. In recent years, Aoxuan Lee has not

only changed in terms of fashion but also has new challenges in terms of makeup. Purple and colorful lip gloss, plus a small diamond, and then wear GIMMAX's stylish flip sunglasses, the overall makeup is more three-dimensional and luxurious.

Became a member of the National Electronic Keyboard Association of Japan as the first foreigner in 2013. Participated in the "Amabile Organ Contest" in Japan and won the award. He became the first foreigner to perform Chinese works since its founding in 2016. Participated in the 13th Japan Electronic Keyboard National Conference of Youth Electronic organ Player Concert in 2017, who is the only foreign performer in the concert. Began training in Japanese "avex" to prepare for developing himself in an all-around way singer in October. The "CHINA FEEL" concert was held in Tokyo in July. The single -- "Three Two One" came online in December in 2018
