

## Beata M. Jasiurkowski, MD, FASN, Nephrologist with VA Southern Nevada Healthcare System (VASNHS)

Get to know Nephrologist Dr. Beata M. Jasiurkowski, who serves patients in North Las Vegas, Nevada.

**New York City, Mar 29, 2019 ([Issuewire.com](http://Issuewire.com))** - Dr. Jasiurkowski is affiliated with VA Southern Nevada Healthcare System (VASNHS), a Veterans Affairs hospital located in North Las Vegas, Nevada. VASNHS's mission is to fulfill President Lincoln's promise "To care for him who shall have borne the battle, and for his widow, and his orphan" by serving and honoring the men and women who

are America's veterans. The hospital's core values - Integrity, Commitment, Advocacy, Respect, and Excellence - define its culture and strengthen its dedication to those it serves.

Dr. Jasiurkowski received her medical degree from the Medical University of Lublin in Lublin, Poland. Wanting to further her education, she went on to complete her medical training at Maricopa Medical Center-University of Arizona. Furthering her training she completed her nephrology fellowship with the University of Arizona in Tuscon.

Dr. Jasiurkowski is board-certified in Internal Medicine by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world. In addition, Dr. Jasiurkowski is sub-certified in Nephrology by the ABIM.

Dr. Jasiurkowski is a Fellow of the American Society of Nephrology (ASN). The ASN leads the fight to prevent, treat, and cure kidney diseases throughout the world by educating health professionals and scientists, advancing research and innovation, communicating new knowledge, and advocating for the highest quality care for patients. The designation "Fellow of the American Society of Nephrology" (FASN) honors members of the Society who have distinguished themselves through excellence in practice or research.

Nephrology is the medical specialty which focuses on the treatment of kidney conditions and abnormalities. It is a subspecialty of internal medicine - the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. As a nephrologist, Dr. Jasiurkowski specializes in kidney care and treating diseases of the kidneys.
