

Blended Variations in Kevon Pagis' Song 'A Rebellion' is Straightforward and Lyrically Enriched

Experimental vibes along the overlapping lines of hip-hop and rock with an alternative feel to it make Kevon Pagis' compelling new song 'A Rebellion' one of a kind.

Baton Rouge, Dec 31, 1969 ([IssueWire.com](http://www.IssueWire.com)) - The different bodies of music genres have gone through many experimentations and deconstructions that have created beautiful and ethereal tracks to sweep the audience off their feet. **Kevon Pagis** is the newest collaborator and nurturer of music's fundamental essence of limitless independence. His newest single '[A Rebellion](#)' is the lovechild of continuous writers' block and the urge to grow along the creative entrails of **Kevon Pagis'** insightful mind. A song that promotes the undergoing of one's mind, it has an eccentric chirp and mellifluous lyrical flow to it. He tributes the inspiration behind '**The Rebellion**' to Carl Jung's anime that have

led to a boisterous distortion of differential flavors.

Kevon Pagis, working odd hours as an emcee has refined his songwriting skills and collective knowledge on music to find his own voice. He describes his integrated style as coming of age, something that sits fit with the current thematic wave among music enthusiasts across the globe. He promotes cultural sabotage and political indifferences with subtle denotations in his songs. A man of standards and opinions and an observant perfectionist, he grasps every last bit of inspiration from various genres and stringent philosophical ideas. His other songs like 'Mars' and 'Penelope' are blissful renditions of his own interpretations.

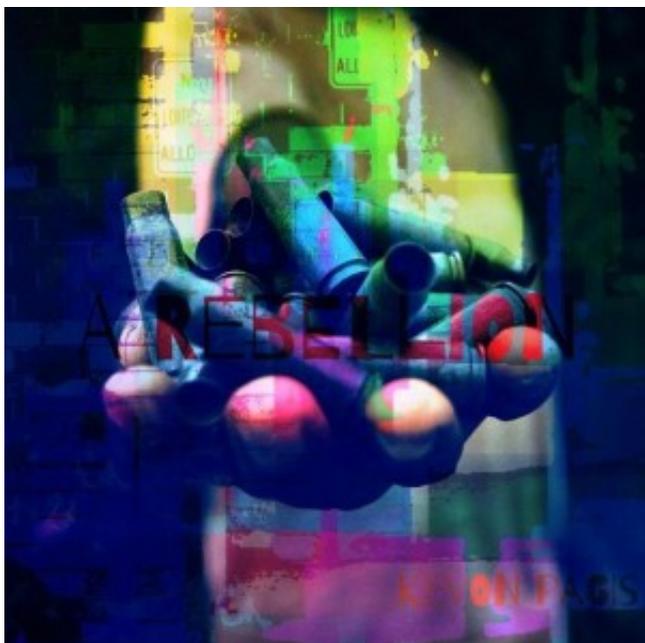

Currently working on a project called 'Japanese Pink', **Kevon Pagis** is optimistic and excited about where his career is going. He is definitely receiving extensive appreciation from the audience and his fan base is only expanding into a musician's fulfilled record with each passing day. From creating webs of independent music through the linear lines of hip-hop, rock, and alternatives, he is making his way into the spectrum of global music celebration. Follow his work on Instagram and Spotify to experience a neo-cultural and musical revival like never before.
