New York City, Mar 18, 2019 ([Issuewire.com](http://www.Issuewire.com)) - Dr. Stamm serves as a Gynecologist with Uptown Primary Care, a medical clinic in Denver, Colorado. The clinic offers a wide range of medical care from physical exams to treating chronic health conditions. Their highly-trained and compassionate staff strive to help patients obtain and maintain optimal health. Dr. Stamm is also affiliated with Presbyterian-St. Luke's Medical Center, a hospital in the City Park West neighborhood of Denver.

Dr. Stamm is board-certified in Obstetrics and Gynecology, though focuses her practice on gynecology. Gynecologists focus on the non-pregnancy aspects of a woman's reproductive health. Women often begin seeing a gynecologist when they become sexually active or at the onset of puberty if needed. Women visit their gynecologist through menopause and beyond. Regular gynecological exams are important for a woman's health. Gynecologists perform standard examinations, such as Pap tests and pelvic exams. Dr. Stamm specializes in the diagnosis, treatment, and prevention of diseases and disorders that affect women, such as breast cancer, cervical cancer, and menopause.

Dr. Stamm's patients know her to be a wonderful and caring doctor, one stating "I always got excellent care and attention from Dr. Carol Stamm. She recommended other excellent healthcare providers, when necessary, and was thorough and personable in her examinations, care, and follow up."

Dr. Stamm is a Fellow of the American Congress of Obstetricians and Gynecologists (ACOG). Founded in 1951, the American College of Obstetricians and Gynecologists is the specialty's premier professional membership organization dedicated to the improvement of women's health. Fellows of ACOG are board certified ob-gyns whose professional activities are devoted to the practice of obstetrics and/or gynecology, who possess unrestricted licenses to practice medicine and have attained high ethical and professional standing

Dr. Stamm received her medical degree from the University of Colorado School of Medicine in 1991. She then went on to complete her residency in 1995 with the same university.
