

Daniel J. Newton, MD, Interventional Cardiologist with Wooster Heart Group

Get to know Interventional Cardiologist Dr. Daniel J. Newton, who serves the population of Ohio.

New York City, Mar 5, 2019 (Issuewire.com) - Board certified and fellowship trained Dr. Newton is the Director of Wooster Community Hospital Cardiac Cath Lab, and an Interventional Cardiologist with Wooster Heart Group. Wooster Community Hospital (WCH) Health System is a 172-bed, full-service and acute-care facility. They offer a complete range of inpatient and outpatient services, including

cardiovascular services, comprehensive cancer care, advanced imaging services, total joint replacement, rehabilitation, sleep medicine center, wound healing center and hyperbaric oxygen therapy, ambulatory surgery center, urgent care clinic, telehealth, and much more.

Prior to coming to the Wooster Heart Group in 2013, he was an interventional cardiologist at Akron City Hospital for 10 years. Dr. Newton is certified in Cardiovascular Disease and Interventional Cardiology by the American Board of Internal Medicine. To stay up to date in his field, he remains a professional member of the Stark and Wayne County American Heart Association. Dr. Newton holds expertise in Interventional Cardiology.

Interventional Cardiology represents advanced training in cardiovascular disease and focuses on the invasive (usually catheter-based) management of heart disease. Clinical issues usually managed by interventional cardiologists include: Ischemic heart disease (percutaneous coronary intervention (angioplasty), stent placement, coronary thrombectomy), Valve disease (valvuloplasty, percutaneous valve repair or replacement), and Congenital heart abnormalities (repair of atrial and ventricular septal defects, closure of patent ductus arteriosus, angioplasty of the great vessels).

Dr. Newton graduated with his Medical Degree from Stritch School of Medicine at Loyola University in 1996, giving him over two decades of experience in his field. After obtaining his Medical degree, he remained at the Loyola University Medical Center and completed his Internal Medicine Residency, Cardiology Fellowship, and Interventional Cardiology Fellowship.
