

D'APPY DEALS Connecting local customers with local merchants and retailers!

D'Appy Deals is the app to help consumers select the best offers on products and services in one go. Establishing connection between local customers and businesses is what this app does.

Cairns, Mar 26, 2019 ([Issuewire.com](http://www.Issuewire.com)) - Time constraints restrict shoppers from exploring new deals and having face to face interaction with retailers. D'Appy Deals gives you a range of products, deals, and promotions to select what you need, exactly when you need. From meals to flowers and from gyms

to gadgets you can become a master shopper and conquer them all here. This is simply done by mentioning one's location and selecting the desired range. An interesting and innovative feature of the app is that it not only shows you available offers but also gives directions to them. So, you know where to go with the app helping you get there. Simple yet effective. D'Appy Deals is also giving the referral bonus for the month of March and April this year. Under this one can get 20% extra bonus.

Features for the Retailers:

- Retailers get to directly connect with regular and potential customers to promote their businesses.
- The app serves as cost-effective marketing tools for enterprises of all scales.
- The merchants can keep customers updated to latest promotions.
- Business owners can create fast and effective deals by observing the customer's responsibility.
- Clients are well aware of the latest hot deals, events, and competitions. Hence, the effort on the sales team part is reduced.
- The retailers get to formulate schemes and create simple management tools to boost sales.
- The merchants become kings as they not only own business but also promote while selling products.

Features for the customers:

- The customers have a complete shopping experience with just click and using a simple interfaced user-friendly app.
- In almost no time users get to find the hot deals from multiple categories and become master bargain shoppers.
- The customers also get to decide the radius of the area from which they want to select and grab deals. They can select from a range of 20kms to 50kms.
- Loyal and active customers win rewards.
- Customers can also add up to their incentives through the referral program.
- The app is not only convenient but is a super saving experience.

About the company

The founder of D'Appy Deals app Daniel Dyer's goal is to change lives for the better by achieving cost-effective local marketing. He believes, "To start anything can be the hardest thing in the world. Look how hard it can be for some of us to start a relationship, a project, a school assignment. Me, I've started a lot of things in my life but nothing as big as this."

The app is available for both iOS and Android users. Download the app to have a retail experience like never before. Good news for you is that the app is absolutely free.
