Dubai, Mar 2, 2019 ([IssueWire.com](http://www.IssueWire.com)) - His Highness Sheikh Ahmed Bin Dalmook Juma Al Maktoum has always played an important role in expanding business networks related to power, energy, and infrastructure across continents. He has also played a path-breaking role by extending a helping hand to bring a positive change in the lives of millions.

Moreover, he's started to play an influential and a highly contributing role in the education sector as well. Through his private office, His Highness Sheikh Ahmed Bin Dalmook Juma Al Maktoum met Her Excellency Ameena Gurib Fakim, the President of Mauritius to get involved in initiatives related to their education projects. This meeting was held at Dubai on November 01, 2017. His persistence and visionary approach towards various projects attract people across the globe to get associated with him.

His endeavour of extending the hands of cooperation towards potential recipients is ever growing, and recently, at a meet with the President of the Republic of Congo, Mr. Denis Sassou N'Guesso, he committed of sorting out the financial issues of the nation. He declared that he is going to maintain and uplift the relation between the two nations by providing financial support to the Congolese nation. As a result, the Republic of Congo will be able to develop their infrastructure and deal with their energy crisis situations.

[His Highness Sheikh Ahmed Bin Dalmook Juma Al Maktoum](#) always stands firm in support of utilisation of renewable source of energy. The region of Congo holds huge reserves of natural gas. To eradicate

the energy crisis, Sheikh Ahmed Bin Dalmook Juma Al Maktoum expressed his will to invest in the process of diversification of energy, transforming gas into electrical energy.

His Highness Sheikh Ahmed Bin Dalmook Juma Al Maktoum claimed that all the documents associated with the process of investment over the infrastructure and energy ventures have been prepared. He further resolved that within a span of one year, all operations according to the pact of the alliance will materialise from his private office. The Emirati humanitarian known for his philanthropic work and attitude towards the society, keeps on exploring investment opportunities to raise the flags of his able and generous leadership throughout the globe.

[His Highness Sheikh Ahmed Bin Dalmook Juma Al Maktoum](#) aims towards the development of the Congolese economy under the hood of his majestic support with the motive of building strong and effective diplomatic, bilateral and trade alliances with the Republic of Congo.
