

## Ecuadorian Rainforest Successfully Exhibits At BCTF Suppliers Night 2019

The Company Brought Industry Trends And The Most Popular Ingredients To The Forefront Of The Night

**Vancouver, Mar 4, 2019** ([Issuewire.com](http://www.Issuewire.com)) - Ecuadorian Rainforest, LLC, a wholesale supplier of nutraceutical ingredients, has just finished another successful exhibition at BCFT's Suppliers Night, a nutraceutical trade show held at Burnaby, Canada.

Representatives met with Canadian businesses to discuss how its ingredients would help bolster their products. This along with the company's 2019 Ingredients Passport gave attendees of the show insight into the industry as well as how to prepare for current and upcoming trends.

Attendees were also interested to see a lineup of the Ecuadorian Rainforest's most popular nutraceutical ingredients. The bulk ingredients supplier had several ingredients on hand that would fit well in virtually any formulation. Company representatives were happy to talk about other ingredients they supply and attendees were eager to discover how they could utilize these ingredients themselves.

If you missed the company at BCFT Suppliers Night, Ecuadorian Rainforest will be exhibiting next at SCIFTS Suppliers Night at **table 1217** in Anaheim, Calif., on March 6, 2019.

Ecuadorian Rainforest has provided natural ingredients from South America and beyond for over 20 years. Founded by Marlene Siegel in 1997, it now has over 1,000 fruit, herb, marine, spice, and vegetable ingredients all under one roof. Ecuadorian Rainforest puts its natural ingredients through rigorous quality control processes to ensure they meet high-quality standards.
