

Enjoy the Rap Verse in Aspiring Rap Group Block Money Certified's Tracks

Popular hip-hop music group Block Money Certified's tracks are creating a buzz in the music industry. The soundscape and hook in the tracks attention-grabbing.

Alexandria, Dec 31, 1969 (Issuewire.com) - **Block Money Certified** is a well-known hip-hop music group. This group was formed in 2005 and there are two members with two different attributes. Zaylife & J-Burnz are the two artists whose composition is driving the audience crazy. Their songs mainly talk about life and the struggles that they have been through in their life to reach success.

They are famous for the fantastic battle rapping. Their songs have the touch of classic hip-hop. Their tracks have both southern and northeast hip-hop music touches. They are a versatile artist and their tracks have some catchy hooks.

[Block Money Certified](#)'s track '[Handling Business](#)' from the start till the end keeps the listeners entertained with amazing lyrics and music. Each section in the track has something new to present which makes it more engaging. The intensity in the track '[Jugg On](#)' rises as the music and the song rises. The concept in the track is so well presented that it creates a great impact on the listener's mind and lingers in listeners mind for a longer period of time.

The hook in **Block Money Certified**'s track '[Hey Now](#)' is memorable. The track has a colorful finish. The story-telling in the track is immense. The soundscape in the track is pretty quiet and the beats are light. The storyline in the track began to hit harder and harder as it progresses. If you are looking for their other songs then you must visit the music streaming site Spotify. Get more updates about his music and events by following them on [Facebook](#) and [Twitter](#).
