

## Enjoy the Sensuous Track 'Fall In Love' Bought Forward By The Talented Artist Rubi Dan

Enjoy the contrasting melodies placed by Rubi Dan in his recent mesmerising creation titled as 'Fall In Love'. The track is gaining huge appreciation worldwide

Seattle, Dec 31, 1969 ([Issuewire.com](http://Issuewire.com)) - The famous artist **Rubi Dan** is back with another of his sensational release titled as '**Fall In Love**'. This multi-talented writer, producer and performer is known for bringing positive vibes to the stage and giving the audience a good time with his composition. Unlike other artists, **Rubi Dan** is gifted with the diverse knowledge of various genres as

compare to certain artists who only focus on single genres. Using his label which is known as DR 9 P3X he lets his creativity bloom by mixing various genres together and creating hits for the audience.

In the composition of '**Fall In Love**' the artist **Rubi Dan** collaborated with another famous artist Natz Chetz and both of them bought this track to life with their amazing duet synchronization. The track is based on the genre of the dance hall with subtle elements of hip-hop and rap. Among the entire collection of **Rubi Dan**, '**Fall In Love**' can be described as one of his best creation yet.

Among some of the famous tracks for which **Rubi Dan** is known are 'Push Ya Back out', 'Twisted Minds', 'Been About', 'Move' and many more. Each of the compositions has a certain twist about them which speaks of the diverse and creative techniques used by the artist himself. However as compared to all the tracks mentioned '[Fall In Love](#)' has a sensuous vibe hypnotic enough to get any individuals hooked to it. You can connect with the artist through his social media on [Facebook](#) and [Instagram](#).
