

Ensol gets ARAI Certification for its range of Transportation Solution

CMVR AIS 113 gets traction

Jaipur, Mar 10, 2019 ([Issuewire.com](http://www.Issuewire.com)) - Ensol gets ARAI Certification for its range of Transportation Solution.

Ensol Industries private limited announces its ARAI(Automotive Research Association of India) certification as per CMVR AIS 113 for its range of Trailer & Transportation solutions.

Ensol has recently set up a state of the art manufacturing plant dedicated for trailer solutions with an annual capacity of 5000 Trailers, Tippers & Semi-trailers at Jaipur, INDIA. Ensol had recently announced India's first registered Air Suspension technology based trailer which gives additional efficiency of up to 3 ton for fleet owners as per AIS 113 guidelines in India.

Arun Sharma, Managing Director, Ensol Group said “We are very excited with the innovation and response we are getting for air suspension technology, which gives additional efficiency & lower operation cost for fleet owners”
