

## **Esteban F. Troyanovich, MD, Internist with Cooper University Health Care**

Get to know Internist Esteban F. Troyanovich, who serves patients in Camden, New Jersey.

**New York City, Mar 8, 2019 ([IssueWire.com](http://IssueWire.com))** - Having over 18 years of experience in his field, Dr. Troyanovich currently practices as an Internist with Cooper University Health Care in Camden, New Jersey. He is also affiliated with Kennedy Health System: Cherry Hill Campus, Virtua Health & Wellness Center - Berlin, and Our Lady Of Lourdes Medical Center.

Cooper is the leading academic health care system in South Jersey. Access Cooper's physicians at more than 100 convenient outpatient offices and four Urgent Care Centers across South Jersey. Cooper's trauma experts save lives. Cooper University Hospital is southern New Jersey's only Level 1 Trauma Center, and its Children's Regional Hospital is the only Level II Pediatric Trauma Center in the Delaware Valley.

Dr. Troyanovich received his medical degree in 2001 from UMDNJ - New Jersey Medical School in New Brunswick, New Jersey.

Upon receiving his medical degree, Dr. Troyanovich went on to complete his residency and internship at the Drexel University School of Medicine in Philadelphia, Pennsylvania. He is board-certified in Internal Medicine and holds professional membership with the Society of Hospital Medicine.

The Society of Hospital Medicine is dedicated to: Promoting high quality and high value health care for every hospitalized patient, Advancing the state of the art in hospital medicine through education and research, Improving hospitals and the health care community through innovation, collaboration and patient-centered care, and Supporting and nurturing a vibrant, diverse and multidisciplinary membership to ensure the long-term health of hospital medicine.

Internal medicine or general medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in internal medicine are called internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall wellbeing.
