

FERROGANG's Young Prophet Keeps It 100 on New Solo Single "Do Not Disturb"

Santa Rosa, Mar 7, 2019 (Issuewire.com) - There's a new sound emerging from the underground, with Tallahassee-born rapper **Young Prophet** leading the way. His new single, "**Do Not Disturb**" sets the tone for one epic year for the rapper, as he continues to let the music speak for itself. Now residing in Northern California, Young Prophet's music packs a punch both equal in originality and energy. "Do Not Disturb" is no different, providing quality sounds as he keeps it all the way G.

Touching on women and all things real, the track shines in **Young Prophet's** ability to paint a mood and create resonate music, motivating listeners to get their money right. Smooth Bay Area production strengthens the track as the **FERROGANG** member rhymes with passion and precision reserved for only the dopest MCs. When you mix this with charisma and clever lyricism, you get not only a dope record to ride out to, but Young Prophet's next hit.

In an industry where most rappers play follow the leader, offering nothing new or original to the game, Young Prophet comes through like a breath of fresh air. No gimmicks. No clout chasing. No mumble. Just good music that makes you want to go get a bag. Check in with "**Do Not Disturb**" above and stay connected with NorCal's up next, **Young Prophet**.
