Los Angeles, Mar 18, 2019 (IssueWire.com) - Los Angeles area businesses and organizations effective April 1 for a period of two months, Daniel Ziegler, certified John Maxwell Speaker, Trainer, and owner of DanielZiegler.co is providing free John Maxwell leadership training. "Our community depends, at its core, on its leaders," explains Dan, "Helping to develop strong leadership skills in our business owners is vital for the health of the entire community. We operate, ultimately, as a whole. The more successful, thriving businesses there are in the Los Angeles area, the more business the area will draw. At the end of the day, the leadership training we provide benefits us all."

The John Maxwell Group of Companies including The John Maxwell Team, John Maxwell Company and Equip has a long and successful history, training more than 5 million leaders in 174 countries, and working with organizations such as the United States Military Academy at West Point, the National Football League, and the United Nations. Maxwell's "The 21 Irrefutable Laws of Leadership has sold more than 2 million copies and is used by business leaders across the globe.

"Sessions are 100% free for businesses with 10 or more participants and can be scheduled at www.danielziegler.co" explains Dan, "The training averages between 45 - 60 minutes and is packed with highly usable information in a fun learning environment. Our goal is to have each team member come away with at least one mind challenging idea that will spark a desire for self-improvement and increased productivity within your organization. While many individuals feel that leadership is just a gift that some have and some don't, we define leadership, provide purposeful ways to grow and improve leadership skills, and begin to cultivate a mentality primed for improvement and growth. Once exposed to training, ideas are unlocked and old, unproductive habits can be left behind. I am extremely excited for this coming year. I expect to see tremendous growth in the Los Angeles businesses over the next few years."
