

How far would you go for love?

Pain is inevitable. Suffering is optional.

than EJ Wood, author of *Beyond the Pale*, where, Dr Amelia Sharpe, a forensic pathologist finds herself drawn into a world of crime, passion, lies and deceit.

When Amelia moves to Washington, D.C. to further her career at The Smithsonian, she introduces herself to the successful enigmatic man that moves in next door; Guy Davidson.

But, when day terrors surface, Sharpe has doubts about her newfound love interest and embarks on unravelling the secrets of her past. Believing she is about to uncover a cold case, Amelia lands herself in grave danger and discovers that not all that meets the eye is true.

Can Amelia make her crucial breakthrough before it's too late and listen to her heart?

Beyond the Pale is a roller-coaster ride of danger and desire that leaves you breathless to the very last page.
