

Innovative Rapper Lil Vonn is Nailing the Hip Hop Scene with 'I Did It' on SoundCloud

If you want to witness modern rap in true sense, listen to the single 'I Did It' on SoundCloud. Rap genius Lil Vonn proved his versatile skills in this track.

Miami, Dec 31, 1969 (Issuewire.com) - Rapping is an art and it literally depends on a rapper how he presents his rap stories to the listeners. The year 2019 till now has been a great one for the aspiring rappers who have made gala appearances on SoundCloud. One young and fiercely talented artist who is proving his mastery on the genre with every new single is **Lil Vonn** from Florida. This artist is independent and wants to take his career to the next level with his flawless rapping skills. This season he has become the hot topic on SoundCloud and the reason is his single '[I Did It](#)'. This amazing single is cleverly blended by utilising the essential elements of new school hip hop and has become the favourite of rap lovers all over the world.

Lil Vonn is 19 years old and rapping has been his passion since his school days. He has a knack for hip hop music and his city Florida has also influenced him to compose such hard-hitting and witty music pieces. What makes him different from other rappers is his skill of creatively composing rap stories that are very relatable. Some of his popular tracks in SoundCloud are 'Sidechick', 'Bando', 'Life (Unofficial Version)', 'Ozone' and a few others.

Above all what is adding to the stardom of **Lil Vonn** is his hot new composition '**I Did It**'. It is produced by J Lopez and is a peppy rap single with a very crisp hook. The feet tapping beats

powered with **Vonn's** rap singing makes the track edgier. This thoughtful lyric of this single is the USP. **Lil Vonn** is pushing his music career to the next level and soon he will be amongst the top artists in the contemporary hip hop and rap music zone. Follow him on Instagram, Twitter and Facebook to keep a track of his upcoming projects.
