

## Jason S. Finkelstein, MD, Interventional Cardiologist with Advanced Heart Care

Get to know Interventional Cardiologist Dr. Jason S. Finkelstein, who serves the population of Texas.

**New York City, Mar 21, 2019 ([Issuewire.com](http://Issuewire.com))** - Board certified and Fellowship trained Interventional Cardiologist Dr Jason S. Finkelstein currently practices with Advanced Heart Care, where he has been practising for over a decade. Dr Finkelstein holds expertise in Nuclear Cardiology, coronary and peripheral interventional cardiology. Additionally, he is affiliated with The Heart Hospital at Baylor Plano

and Wise Health System in Decatur, TX.

Advanced Heart Care has been advancing its mission to provide the best, most advanced cardiovascular services available to small and under-served communities in North Texas and Southeast Oklahoma. Advanced Heart Care has quickly spread its philosophy of treating each patient throughout the region with the utmost respect and compassion.

Dr Finkelstein graduated with his Medical Degree from St. George's University School of Medicine in 1999, giving him over two decades of experience in his field. During his time there he was on the Dean's List from 1995 to 1997 and was part of the Iota Epsilon Alpha Medical Honor Society.

After obtaining his medical degree he completed his Internal Medicine Residency at MCP/Hahnemann University. Furthering his training he then completed his Cardiology Fellowship at Tulane University Health Science and Interventional Cardiology Fellowship at St. Vincent's Hospital. He also completed additional CT Angiography training at Ochsner Heart & Vascular Institute. He is certified in Cardiovascular Diseases and Interventional Cardiology by the American Board of Internal Medicine. ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Dr Finkelstein was presented by the Fort Worth Business Press as a 2013 Healthcare Hero within the community. Additionally, he is part of the Golden Key National Honor Society.

Interventional Cardiology represents advanced training in cardiovascular disease and focuses on the invasive (usually catheter-based) management of heart disease. Clinical issues usually managed by interventional cardiologists include: Ischemic heart disease (percutaneous coronary intervention (angioplasty), stent placement, coronary thrombectomy), Valve disease (valvuloplasty, percutaneous valve repair or replacement), and Congenital heart abnormalities (repair of atrial and ventricular septal defects, closure of patent ductus arteriosus, angioplasty of the great vessels).

When not practising medicine, Dr Finkelstein enjoys travelling abroad, Broadway shows and playing tennis.
