This Calls For Wisdom has officially released their latest single from Revelation 13:18 Old School feat. Jean-Michel Basquiat courting attention from ROCNATIONS' Founder and Hip Hop moguls JAY-Z & BEYONCE, who are huge fans of the tandem. In the new era of conscious hip hop, Revelation 13:18 has stirred up controversy with his alias because in scripture Revelation 13:18 speaks to the idea of the Mark of The Beast or the Antichrist. In the Bible, Revelation 13:18 states "This calls for wisdom. Let the person who has insight calculate the number of the beast, for it is the number of a man. That number is 666." Keep this number 666 in mind we will revisit this topic after we discuss more Jean-Michel Basquiat.

Jean-Michel Basquiat is a neo-expressionist. Basquiat touched on different topics in his paintings from racism to politics Basquiat used social commentary in his paintings to create a conversation that will last for ages. His love for hip hop and graffiti art was the sole reason he rose to prominence very quickly; becoming the only American artist to sell artwork in the upper 100 millions of dollars. Basquiat was a rebel at heart who always wanted to showcase Blacks as a protagonist because he wanted to change the perception of Black people. His love of graffiti caught the attention of another prominent expressionist artist Andy Warhol who would later become Jean's mentor. Basquiat art has inspired many in the hip hop culture such as Kanye West, Lil Wayne, & Nas. He also inspired Swizz Beats to create his own very Reebok sneaker with his art; as well as Supreme and Sean John clothing lines to make a collection inspired by Basquiat artwork.

Hov is a student of the 5 percenter teachings in supreme mathematics. Supreme Mathematics is a variety of numerology specific to the theology and philosophy of the 5 percenters. Hov's love of Jean-Michel Basquiat was also showcased on Jay-Z last project 4:44. Hov highlighted Basquiat interview in his video for the project. Hov showed his love for art giving Revelation a nod;

Hov gave Revelation 13:18 a nod in producing Old School feat. Jean-Michel Basquiat. Hov also highlighted Basquiat on his project "Picasso Baby" from Magna Carta Holy Grail. Then Hov purchased an art piece from the late GOD Basquiat titled "EMPIRE" for a whopping 4.5 Million. Hov has always been a supporter of Basquiat and inspired by his work, Jay even dressed as Basquiat for Halloween. HOV and Bey took an iconic picture next to the Mona Lisa showing their love for art in the ApeS\*\*t music video, which was shot at the Louvre museum with the connection to 666 cause of the urban legend of the glass pyramid having 666 window panes; also If we dive further into Jay's 4:44 album and make the connections,  $4:44 \ 4+4+4 = 12 \ 1+2=3$  Knowledge + Wisdom = Understanding and you will learn that 4:44 flipped is actually 666 and this is significant in Supreme Mathematics because  $666 \text{ is } 6+6+6 = 18, \ 1+8= 9$  and the number 9 in Supreme Mathematics meaning is to be Born, which is the completion of all things in existence. All things must come from the knowledge to be born to the cipher. To be born to the knowledge of self is to be - born to the reality of one's self. Knowledge Black man plus wisdom Black woman equal born understanding Black child which is complete within the cipher.

Revelation is the revealing or disclosing of some form of truth or knowledge through communication with a deity or other supernatural entity or entities. So, therefore, it makes sense that, through the teachings of the 5 percenter revelation 13:18 through knowledge of self-realized he was a God. Revelation 13:18

comes from the same principles and tenants as Jay-Z, Nas, Rakim, GZA and other hip hop legends from New York. Revelation's music is a tribute to the Culture and being Born through knowledge. He's a 5 Percenter that's truly a believer of Supreme Mathematics. In fact, half of his name "13:18" can be broken down into the mathematics for example 13 is  $1+3 = 4$  (Culture & Freedom) and 18 is  $1+8 = 9$  (Born). It's not a coincidence that the single "Old School" is a reflection of Revelations past and shows the reality of one's self through the knowledge of self. This is what it means to be Born.

Revelation's music takes us on a journey through time and space and places us back in the Golden Age of Hip Hop. His knowledge and understanding, and knowledge to build show his wisdom. Not only is his name Revelation but so is his music!
