

L'Escapadou Partners with AWE Learning on Launch of Platinum

Chester, Mar 25, 2019 (www.issuewire.com) - AWE Acquisition, Inc. dba AWE Learning, is excited to announce its recent partnership with L'Escapadou. Headquartered in Chester, Pennsylvania, AWE Learning is the leading provider of digital learning solutions for public libraries throughout the United States and Canada.

AWE Learning's newest products, Early Literacy Station™ Platinum, Bilingual Spanish Literacy Station Platinum, and AfterSchool Edge™ Platinum, each include more than 75 new software titles, spanning all STREAM subject areas (Science, Technology, Reading, Engineering, Arts, Math) for early learners. We are excited to offer L'Escapadou's handwriting content, including cursive, on our Platinum workstations. Writing Wizard is designed to help every child learn how to trace uppercase and lowercase letters, numbers, words, and shapes through a fun system carefully designed to maintain motivation.

Through AWE Learning's partnership with L'Escapadou, their educational software titles will reach a larger audience and will positively impact early learners. L'Escapadou's handwriting activities help young learners to build school readiness skills, lead them to be successful in the classroom, and in their future. "We're very happy that AWE Learning is including our award-winning handwriting titles in their Platinum products. It will give even more kids the opportunity to learn to write while having fun," said Pierre Abel, CEO of L'Escapadou.

AWE Learning President & CEO, Dr. Deborah B. Sorgi, said, "We are delighted to partner with L'Escapadou. Companies like L'Escapadou offer a variety of premier educational content for our target age group and markets. Learning doesn't only take place in the classroom. In today's global and connected world, critical skills are learned and mastered all day long. By addressing the foundational literacy skills of early learners, we're lowering the need for intervention programs. And we're giving every child access to unlimited opportunities to grow and connect. We have no doubt that young patrons everywhere will greatly enjoy interacting on these exciting new titles."
