

## **Liem Ton, MD, General Practitioner / Urgent Care Physician with First Help Urgent Care Clinic / Bond**

Get to know General Practitioner / Urgent Care Physician Dr. Liem Ton, who serves patients in Winter Haven, Florida.

**New York City, Mar 18, 2019 ([Issuewire.com](http://www.Issuewire.com))** - Dr Ton is a General Practitioner who treats all

common medical conditions and refers patients to a hospital and other medical services for urgent and specialist treatment. He practices with First Help Urgent Care Clinic located in Winter Haven, Florida. First Help offers a convenient and economical alternative when the doctor's office is closed or when a patient is unable to make their timely appointment with their primary care physician. No appointment is necessary at First Help and all of the facilities have convenient and extended hours. The difference between First Help Urgent Care Clinics and other Walk-In Clinics is their emphasis on customer service and level of care.

Dr Ton is also Head of the Urgent Care Team at Bond Clinic, P.A. Founded in 1948, Bond Clinic strives to provide quality health care to Winter Haven and the surrounding region. It is a professional association made up of over 80 providers encompassing 28 specialities. In addition to providing excellent medical care, Bond Clinic regularly participates in community events and health fairs, partners with area colleges/trade schools to offer clinical training for students, as well as supports many local sports clubs and organizations through donations and sponsorships. Their goal has always been to bring comprehensive, personalized, state-of-the-art health care to their community.

Dr Ton received his medical degree in 1973 from the University of Saigon Medical School in Saigon City, South Vietnam. He completed an internship in Internal Medicine & OB-GYN with Hoc Hospital in South Vietnam, followed by his residency with Wadsworth Medical Center in Wadsworth, Ohio.

Urgent care is a category of walk-in clinic focused on the delivery of ambulatory care in a dedicated medical facility outside of a traditional emergency department (emergency room). As an Urgent Care Physician, Dr Ton offers outpatient care for the treatment of acute and chronic illness and injury. His duties range from reviewing and recording patients' medical histories to performing surgical procedures, conducting follow-up appointments, and promoting health by advising patients about diet, hygiene, and methods for prevention of disease.
