

Melanie L. Marin, MD, Gynecologist with New York Physicians

Get to know Gynecologist Dr. Melanie L. Marin, who serves patients in New York City, New York.

New York City, Mar 21, 2019 (IssueWire.com) - Dr. Marin practices office gynecology and gynecologic surgery at New York Physicians, a private group practice with a clinical staff of preeminent physicians representing multiple specialties in internal medicine, allergy-immunology, obstetrics-gynecology, endocrinology, gastroenterology, rheumatology, and orthopedic surgery. The multispecialty group of dedicated physicians remain committed to providing high quality health care and treating their patients with the whole person in mind. Dr. Marin is also an Adjunct Assistant Clinical Professor of Obstetrics and Gynecology with Mount Sinai Hospital. It is there that she performs surgeries and trains residents and fellows in gynecologic surgery and minimally invasive surgery, including advanced laparoscopic surgery.

Back in 2002, Dr. Marin limited her practice to gynecology in order to concentrate on her areas of special expertise, including laparoscopic surgery, endometriosis, chronic pelvic pain, the treatment of fibroids and menopause management. In 2007, she became a nationally certified menopause practitioner.

Dr. Marin is a Fellow of The American Congress of Obstetricians and Gynecologists (ACOG). Fellows of ACOG are board certified ob-gyns whose professional activities are devoted to the practice of obstetrics and/or gynecology, who possess unrestricted licenses to practice medicine, and who have attained high ethical and professional standing.

Dr. Marin completed her Bachelor's degree in Biology and French at Columbia College of Columbia University. She received her medical doctorate from New York University School of Medicine. Thereafter, she completed her internship and residency at Presbyterian Hospital of Columbia University, before joining New York Physicians and the faculty of Columbia Presbyterian Hospital.

Dr. Marin has received numerous awards for her clinical expertise, including the CREOG Faculty Award for Excellence in Resident Education (2012), Award for "America's Top Obstetrics and Gynecologists" (2011 and 2015), Award for "New York Super Doctors" (2009), and "Award for Best Doctors in America" (2003-2004, 2007-2008, 2009-2010, and 2013).

Gynaecology or gynecology is the medical practice dealing with the health of the female reproductive systems and the breasts. Outside medicine, the term means "the science of women". As a gynecologist, Dr. Marin diagnoses, treats, and helps prevent diseases of the female reproductive system. She encourages women to seek medical attention if they are experiencing any uncomfortable symptoms and continuously stresses "It is not in your head, it is in your pelvis and it can be treated."
