

Mwoop.com recruits Aussie media man Pete Laan to drive sales in the Western market

Exciting new times for Australian online shoppers!

Australian Capital Territory, Mar 26, 2019 ([Issuewire.com](http://www.Issuewire.com)) - Big changes are happening this year for the Indian founded [Mwoop](http://www.Mwoop.com) online shopping company, with their new office recently opened in New York City with a new toll-free support line.

Now they have appointed Aussie Internet figure [Pete](#) Laan to handle their digital media marketing, test

products and assist with commencing sales within Australia.

For those that aren't familiar with Mwoop, they are an online shopping website with over 50 employees shipping goods such as furniture, clothing, and gadgetry at wholesale prices with free shipping Worldwide.

Extremely competitive prices are bound to be a smash hit for [Mwoop](#) as they hope to double sales made in 2018 and broaden their already extensive list of products that are appealing to consumers of all ages.

Don't wait, Get online now at [mwoop.com](#) and be a part of this exciting new time for Australia of highly discounted online shopping.
