

## **Noah A. Bass, DO, Family Physician with Pottstown Hospital - Tower Health**

Get to know Family Physician Noah A. Bass, who serves patients in Pottstown, Pennsylvania.

**New York City, Mar 8, 2019 ([IssueWire.com](http://www.IssueWire.com))** - Having more than 20 years of experience in his field, Dr. Bass currently practices as a Hospital Medicine Physician at Pottstown Hospital - Tower Health in Pottstown, Pennsylvania. His specialties include Hospital Medicine and Addiction Medicine. He is also affiliated with Brandywine Hospital, Chestnut Hill Hospital and Jennersville Hospital

Pottstown Hospital is a community healthcare provider; a 232-bed facility. Their full range of health services include inpatient and outpatient, medical and surgical, and diagnostic and emergency care, to name a few. They believe in the power of people to create great care. They're 1,150 healthcare professionals strong. Pottstown Hospital strives to exceed patient expectations, while delivering compassionate, safe, quality care. The healthcare team work hard every day to be a place of healing, caring and connection for patients and families in the community they call home.

Dr. Bass received his medical degree in 1998 from the Lake Erie College of Osteopathic Medicine in Erie, Pennsylvania. Upon receiving his medical degree, Dr. Bass went on to complete his residency at St. Luke's Hospital in Allentown, Pennsylvania. He is board-certified in Family Medicine by the American Osteopathic Board of Family Physicians and holds a professional membership with the same board.

Family medicine is a medical specialty dedicated to comprehensive health care for individuals of all ages. The specialist is called a family physician or family doctor. Hospital medicine is the medical specialty concerned with the care of acutely ill hospitalized patients. Physicians whose primary professional focus is caring for hospitalized patients only while they are in the hospital are called hospitalists. They provide diagnostic, preventative, and therapeutic health services, while working to improve the performance of the hospital.
