

Pedriatic Help For Your Little Miracle In Stamford

Summer *Pediatrics*

Stamford, Mar 15, 2019 ([IssueWire.com](http://www.IssueWire.com)) - Every child is unique to his or her parents. The smallest of cuts, a sneeze or even hiccups that are such simple digressions from normal health, are big deals for the parents. For some of us, it is a matter of life and death.

At that moment, when the child is ill, for a parent the most important person in the world is the child's paediatrician.

Summer Pediatrics at 992 High Ridge Road, Stamford, CT, 06905, United States is one such place that understands the importance of care for its little patients and also the anxiousness of the child's parents.

Summer Pediatrics' services include:

Newborn Checkups: all kinds of services that a newborn baby could want

Routine Physicals for reassurance about the health and development of your child

Breastfeeding guidance to new mothers on feeding, etc

Sleeping instructions for proper sleep and sleeping patterns of the babies and mothers

Umbilical Cord care and maintenance

Colic, how to handle it and associated problems

All these services are available at Summer Pediatrics. Your child will be in the hands of well qualified and experienced paediatricians who understand your anxiety and concern. Utmost care is taken in handling even the smallest of cases.

A patient portal is available for your convenience

For the convenience of the parents, there is a patient portal available. Here you can:

- Request for the refill of the prescription
- Request to get an appointment
- Update any information for your child

This patient portal is made available at all times, 24*7. You can contact us at your convenience and from wherever you want to. Just create your account on the patient portal and activate it. That is it. Once that is done, you can send in your queries to us at your own time.

Insurance is accepted.

We accept all kinds of insurance plans. Just make sure to call your insurance company to check if we are one of their participating providers. If yes, you can avail any of our services and the insurance will cover your cost.
