New York, Mar 1, 2019 ([Issuewire.com](http://www.Issuewire.com)) - Dr. Gordon is a board certified Obstetrician and

Gynecologist, he currently practices at numerous medical centers throughout the state of Maryland. Dr. Gordon has served as Assistant Clinical Professor while educating students from Trinity Medical College. He speaks English, French, Spanish and creole. He is committed to intellectual growth and continues his pursuit of knowledge and growth as a physician.

Dr. Gordon graduated with his Medical Degree from the SUNY Stony Brook in 2008, giving him over a decade of experience in his field. He then completed his Obstetrics and Gynecology residency with the Howard University Hospital. He is certified by the American Board of Obstetrics and Gynecology. The American Board of Obstetrics and Gynecology (ABOG) is a non-profit organization that independently certifies obstetricians and gynecologists (OB-GYNS) and also offers continuous certification (Maintenance of Certification) to OB-GYNS in the United States and Canada. Board certification is a voluntary process for those physicians who choose to pursue certification and maintain their certification.

Obstetrics and Gynecology is a broad and diverse branch of medicine that encompasses two subspecialties: Obstetrics (covering pregnancy, childbirth, and the postpartum period) and Gynecology (covering the health of the female reproductive system). Obstetrician-gynecologists (OB/GYNs) are physicians who possess special knowledge, skills, and professional capability in the medical and surgical care of the female reproductive system, its associated disorders as well as general medical health since Ob-Gyn's consider primary care providers as well as specialists. This enables them to serve as consultants to other physicians and as primary physicians for women.
