

Pilot Lands the Truth on Salvation

Debut book explains the misguided guarantee of salvation in religion

Tucson, Mar 3, 2019 (IssueWire.com) - Pilot turned author Harding Hedgpeth's "[The Hope of Salvation](#)" examines the truth about salvation in the bible and explains why religion should not be misconstrued as a form of guarantee for believers.

In the book, Hedgpeth discusses how the church interprets salvation in different ways. Most, if not all of us, are taught, that if you do what you are told to, you will enter the kingdom of heaven. The soul will be eternally saved.

Hedgpeth had the same belief system for many years. He was raised by a Christian family. He was taught that, as a Christian, "no matter what happens, you're saved." It was not until he reached the age of 40 when he started questioning the realities of this assurance and found out that is not what the Bible teaches.

Authors Press will be showcasing "[The Hope of Salvation](#)" at the [Tucson Festival of Books](#) to be held at the University of Arizona campus this coming March 2-3, 2019. Hedgpeth's work will be exhibited at

Authors Press' booth number 154. Readers and festival goers will get an exclusive preview of his writing during the festivities. To get the latest update on authors, like and follow Authors Press on [Facebook](#) and [Twitter](#).
