

Radhaa Publishing launches Galactic Goddess Memoir on Paperback Internationally

Los Angeles, Mar 28, 2019 ([Issuewire.com](http://www.issuewire.com)) - Radhaa Nilia has launched her second book, Galactic Goddess: Ascending Beyond Duality in a paperback edition on Amazon, Barnes and Noble and other platforms through her company, Radhaa Publishing. This comes after the debut release of her first book, Quan Yin Goddess Activations™ you can find here: <https://tinyurl.com/y5k2avqj>

Galactic Goddess- Ascending Beyond Duality is a heartfelt, intensely honest and intimate memoir: the story of an awakening starseed and her adventures in duality.

You can find Galactic Goddess: Ascending Beyond Duality:

This book shares how Radhaa delved into the world of healing which activated the key to the Akashic Records, allowing her to heal karmic soul wounds through the deep process of receiving spiritual downloads with the help of the ancient Goddesses that came through her. Dive into these revealing and authentic stories interwoven with raw, real, gritty storytelling. It allows the reader to extract timeless wisdom through the marvels, visions and lessons put forward in the pages of this book.

Author Radhaa Nilia is an intuitive teacher, coach, artist, healer, forward-thinking leader, and speaker. Radhaa stems from a direct lineage of Shamans, working with women to heal their heart and soul wounds. She is the Founder of GODDESS CODE™ Academy, a mystical school for the divine feminine. In addition, Radhaa founded Radhaa Publishing which is an incubator for upcoming spiritual and heart-based literary all-stars. Created to allow soulful writers to have a voice through their literary works. Radhaa Publishing is committed to delivering products and services that empower and educate the individual while helping to heal our planet. Here is a video interview of Radhaa on her new book and creating Radhaa Publishing on Youtube Channel: <http://tinyurl.com/y4vsrjco>

Radhaa Publishing also invites upcoming and heart-based authors to share their stories of awakening,

healing, manifesting, and moving beyond the veil. The book is titled **Awakening Starseeds: Stories Beyond the Stargates**. This book is an inspiring collection of stories of awakening by enlightened souls on their journey of ascension and spiritual enlightenment.
