New York City, Mar 21, 2019 (Issuewire.com) - Dr Schumann is a cosmetic & sedation dentist in Grove City Ohio, a suburb located just 8 minutes south of downtown Columbus, Ohio. He is one of America's leading dentists, yet he is still grounded which is evidenced by his patients often describing him as "fun" and "cool."

Dr Schumann's company, Grove City Dental, was recently recognized by the Inc. 500/5000 2010, 2011 and 2012 List for America's Fastest-Growing private companies. Grove City Dental provides patients with expert sedation dentistry for cosmetic and general dental treatments. Patients' comfort is their top priority and they promise to do everything they can to help make dental visits as painless as possible. Dr Schumann and Grove City Dental is the home of phenomenal sedation dentistry. "This very safe technique will take you to 'La La Land' and let us take care of your issues in as little as one afternoon while not caring or remembering very little, while time flies by. Whether it is fear & anxiety or you're just too busy with work and you want all your work done in one visit – sedation dentistry will solve your problem."

Dr Schumann graduated from the Ohio State University Dental School in 1989. He then went on to complete his residency training at the University of Texas Health Science Center at San Antonio in 1991. He also received a fellowship in Hospital Dentistry, helping him to excel in assisting his medically compromised patients.

Dr Schumann is a celebrated 5 Time Best-Selling Author. He has featured chapters in Oral-Facial Emergencies, The 21 Principles of Smile Design, Shift Happens, Power Principles of Success, ROI Marketing Secrets Revealed, More Than a Mouthful, Game Changers the World's Leading Entrepreneurs, How they're Changing the Game & You Can Too! Furthermore, he has made guest appearances on radio and TV, including the radio show the Next Big Thing® and America's PremierExperts® TV show which airs on NBC, CBS, ABC and FOX TV.

Dr Schumann started his career teaching in the Advanced Dentistry Clinic at the Ohio State University, teaching dental residents advance cosmetic, implant, hospital, and sedation dentistry for ten years. His active membership in the Columbus Dental Society, the Ohio Dental Association, the American Dental Association, the Academy of General Dentists, the American Academy of Cosmetic Dentists and the American Dental Society of Anesthesiology has been very beneficial in keeping him and his team up to date on the latest developments in dentistry.

Cosmetic dentistry is generally used to refer to any dental work that improves the appearance of teeth, gums and/or bites. It primarily focuses on improvement in dental aesthetics in colour, position, shape, size, alignment and overall smile appearance. Oral sedation dentistry is a medical procedure involving the administration of oral sedative drugs, generally to facilitate a dental procedure and reduce patients fear and anxiety related to the experience. As a cosmetic & sedation dentist, Dr Schumann aims to restore patients' smiles with natural-looking tooth restorations.

Dr Schumann is a native of Columbus, Ohio, where he grew up loving the Buckeyes, playing sports, and collecting rocks. He and his wife Robin live in downtown Columbus with their dog Bourbon the boxer. In his spare time, Dr. Schumann loves supporting the local arts, sponsoring little league teams, golfing, fishing, attending concerts and NASCAR events.
