

South Florida Guardianship6467

Sunrise, Mar 13, 2019 ([IssueWire.com](http://www.IssueWire.com)) - Each client receives personalized financial services from our staff. SFGP provides individualized attention, taking into account assets, income, and care needs. Our professional accounting personnel protects the client's assets, pay bills, manage and secure assets. We are able to maximize the use of government and community benefits and insurance. We also work with families to provide advice and assistance with budgeting and other financial issues. Since 1991 SFGP has been entrusted to manage more than \$100 million in combined investments, real property, and related assets.

OUR FINANCIAL SERVICES INCLUDE

Bookkeeping and bill paying services.

Preparation of required accounting for the court.

Expert filing for government benefits.

Medical and Insurance claims processing.

Professional asset management and analysis.

Liaison with trust departments and investment firms.

Preparation of personal tax returns.

SFGP's General Counsel specializes in the practice of guardianship and elder law in addition to all related legal issues that may stem from the representation of the guardian or ward. With an in-house legal department, we are able to provide conventional legal services effectively and expeditiously. SFGP's General Counsel can provide almost immediate access to the probate court system in the event of an emergency.

Through our own Legal Department, we are able to provide our clients with exceptional legal services at a fraction of the cost of a private law firm.

Referring Attorneys

If you need a guardian for a client, friend or family member SFGP works with attorneys in the community. Please contact Executive Director Kathleen Phillips for a free initial consultation. SFGP provides full-service property management for clients who own various types of property such as real estate, cars etc. We believe in customizing our management services to the specific needs of each client. SFGP develops and institutes routine and preventative maintenance programs, and supervises and inspects work performed by licensed contractors.

SFGP obtains written bids and court orders as required by law.

SERVICES INCLUDE:

Tailored management package designed to fit the client's needs.

Regular property inspections to insure proper maintenance and security.

Evaluation and recommendations for repair work as needed.

Coordination and supervision of repairs.

Arranging for emergency repairs.

24-hour emergency service.

Assists clients in moving to a new location when needed.

Packing personal belongings for relocation or storage.

About The Author:-

<http://www.guardianships.org/contact/> SFGP works with people who have a disabling condition. This includes people with conditions related to the aging process, people with a mental illness, people with developmental disability, people who have had a traumatic brain injury, or people with a physical handicap. Some of our clients have very minor or no disabilities and have chosen to make use of a voluntary guardianship, trust or other arrangements. Our qualified professional staff collectively has expertise in law, financial management, social work, health care and community services. Using a team approach, our staff can monitor and supervise 24 hours a day, seven days a week to meet the unique needs of each individual client. When a guardianship is not necessary, families feel comfortable with their loved ones receiving expert care management from SFGP. SFGP is registered with the Department of Elder Affairs, Statewide Public Guardianship Office.
