

The Shop Local Network is excited to announce Cheer's Food & Drink as a new Shop Local Mission Partner

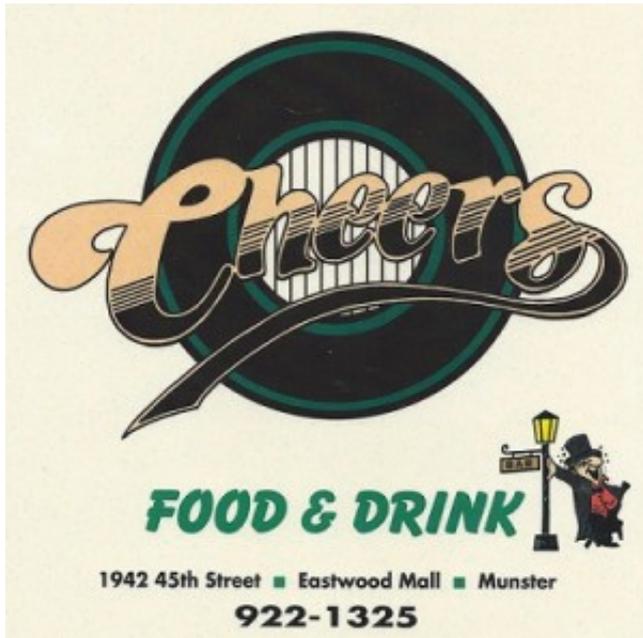

La Porte, Mar 6, 2019 (Issuewire.com) - [Cheers Food and Drink](#), located at 1942 45th Avenue in Munster, is the perfect place to enjoy a nice meal in a friendly environment. Nick Bello, President of [The Shop Local Network](#) stated, "We are so happy to have Cheers food and drink as a shop local mission partner. They have great food, a great atmosphere and the staff is amazing, always going above and beyond to take care of you."

Established in 1990 by brothers Tom and George Tsakopoulos, Cheers is an American Sports Bar, "...where everyone knows your name..." right here in Northwest Indiana. In addition to the fun sports atmosphere, drink specials, and friendly bar service, what sets Cheers apart from other sports bars is its FOOD! Not only the warm-up starters but the dinners, including Greek specialties, which have had customers running, not walking to the establishment for almost 30 years! Co-owner, Tom Tsakopoulos, says, "I have always been a huge sports fan so opening a sports bar was a dream come true." Yes, run... don't walk...to this neighbourhood bar that offers family dining and prides itself in customer service. We are family friendly, non-smoking facility with great prices. We have a large inventory of liquor with a variety of beers from domestic, IPA's, imports and craft beers.

They post their weekly food and drink specials on their website and also on their facebook page. On their Facebook page, you can also stay updated on events that they are hosting that would be a fun night out with friends and family. "I've been going here for about 8 or 9 years and everything I've tried on the menu has been good. The waitresses and owners are always nice and friendly as well. My favourite drink is a Mongolian, a must try if you ever visit, umm umm good," Donald Bullock said in a Facebook review.

“Does not disappoint. 25 years of consistently serving great food and very reasonable prices. Great place to watch a game or host a large party in their back room. If you haven't tried it, do yourself a favour and go there for a munster dip. Delicious!” said Jessica Rios in a Facebook review.

Stop into Cheer's Food and Drink today to see what they have to offer you. Maybe look up their specials to see what night you would most like to go, or maybe go to cheer on a game. Don't forget to use your [shop local](#) key tag when you go there to get \$5 off the purchase of \$30 or more. Maybe if you are having a bad day, Cheer's will cheer you up!
