“We are honored to return to The Villages for our fifth annual caregiver training event with such great partners as Elder Options, the Alzheimer's Association, Hiers Baxley Community Care, Absolute Law Group, Cornerstone Hospice Care, Mobile Physician Services, SHINE program, and others. I'm looking forward to a terrific day of education, support and sharing with area caregivers,” said Gary Barg, Founder and Editor-In-Chief of Today's Caregiver magazine and Caregiver.com, author of the books, The Fearless Caregiver and the Caregiving Ties that bind and host of the Fearless Caregiver Conferences.

“It is always a great day of education, support, and advice for caregivers from leading local and national experts.” “We are also thrilled to be raffling off a Kayla: The Comfort Baby Doll to attendees at The Villages event. An attendee will go home with a Kayla in their arms. This is wonderful for our loved ones living with memory challenges.’

Fearless Caregiver conferences have been developed by Today's Caregiver magazine and caregiver.com in support of family caregivers; answering their questions and teaching them, among other things, to become equal members of their loved one's care team, develop techniques to create much needed respite, build an effective support network of family and friends, and to learn the importance of caring for themselves as they care for their loved ones. Nearly 100,000 family and professional caregivers in 26 states have learned how to be a Fearless Caregiver Advocate for their loved ones, clients and themselves.

On March 13th, the National Fearless Caregiver Tour will also be stopping in Ocala, Florida. Register online at [Caregiver.com](#) or by calling 877-829-2734.
