

## TKO Scores as a New SCORE Mentor

A Leader in the Houston Community, Tiko Takes on a New Role

**Houston, Mar 14, 2019 ([IssueWire.com](http://www.IssueWire.com))** - Tiko Reynolds-Hausman, Founder and CEO of TKO Biz Solutions, a consulting firm in Houston, TX, is proud to announce her recent selection as a SCORE Mentor. SCORE, formerly known as Service Corps of Retired Executives, offers the nation's most extensive network of free, expert business mentors. Across 300 chapters nationwide, SCORE Mentors provide small business entrepreneurs with exceptional business advice to assist with growth.

Having years of experience in the government sector, Tiko now applies her insight and knowledge on a consulting basis. Since founding TKO Biz Solutions in 2015, Mrs. Reynolds-Hausman has risen to prominence, becoming an award-winning leader in the business development and government contracting industry. Her recognitions include being named one of Houston's Top 50 Influential Women and being recognized as one of Walker's Legacy Power25 Award, which celebrates recipients' dedication to improving and innovating the Houston community to name a few. As a SCORE Mentor Tiko will work to provide new and current business owners with the tools they need to elevate their business successfully. Her mentorship will include creating action plans, leading education workshops, and acting as a confidant, partner, and ambassador for mentees. When asked why she decided to become a mentor she answered, "Helping people with their business is what I do best, so I decided to pay it forward by becoming a mentor with SCORE, an organization that has already helped thousands of entrepreneurs."

The Houston SCORE chapter has made an outstanding impact on the community since its installation in 1965. With over 130 mentors covering the 9-county Greater Houston Area, they have impacted thousands of entrepreneurs. In 2015, the chapter helped start 2,556 new businesses and helped create 3,138 new jobs. To those who are looking for mentorship, SCORE is an entirely free resource. "I am astounded at the impact SCORE has made in the Houston community, and I am thrilled about the opportunities I will help create as a mentor," says Mrs. Reynolds-Hausman.
