

Top Meadow Inc. Partners with AWE Learning on Launch of Platinum

Chester, Mar 26, 2019 ([Issuewire.com](http://www.Issuewire.com)) - AWE Acquisition, Inc. dba AWE Learning, is excited to announce its recent partnership with Top Meadow Inc. Headquartered in Chester, Pennsylvania, AWE Learning is the leading provider of digital learning solutions for public libraries throughout the United States and Canada.

AWE Learning's newest products, Early Literacy Station™ Platinum, Bilingual Spanish Literacy Station Platinum, and AfterSchool Edge™ Platinum, each include more than 75 new software titles, spanning all STREAM subject areas (Science, Technology, Reading, Engineering, Arts, Math) for early learners. We are excited to offer Top Meadow Inc.'s Contraption Maker on our Platinum workstations. Contraption Maker is a game that lets users create elaborate Rube Goldberg machines and is made by the same team that created the original The Incredible Machine®. It is being used in schools to teach a wide variety of STREAM subjects, including engineering, language arts, and cooperative problem-solving.

Through AWE Learning's partnership with Top Meadow Inc., their educational software titles will reach a larger audience and will positively impact early learners. Top Meadow Inc.'s educational activities help young learners to build school readiness skills, lead them to be successful in the classroom, and in their future. "We are very excited to bring Contraption Maker to AWE Learning's workstations. Contraption Maker is currently being used in hundreds of schools around the world and on every continent, except Antarctica. AWE Learning platforms are a perfect fit," said Kevin Ryan, Top Meadow Inc.'s CEO.

AWE Learning President & CEO, Dr. Deborah B. Sorgi, said, "We are delighted to partner with Top

Meadow Inc. Companies like Top Meadow Inc. offer a variety of premier educational content for our target age group and markets. Learning doesn't only take place in the classroom. In today's global and connected world, critical skills are learned and mastered all day long. By addressing the foundational literacy skills of early learners, we're lowering the need for intervention programs. And we're giving every child access to unlimited opportunities to grow and connect. We have no doubt that young patrons everywhere will greatly enjoy interacting on these exciting new titles."
