

Veteran Debuts Captivating Poetry Collection on the Phases of Life

Poet eloquently conveys life's intricate webs

Tucson, Mar 3, 2019 ([Issuewire.com](http://www.Issuewire.com)) - T. D. Moore, Sr.'s "[Shades of Blue](#)" is an emotionally charged collection of poetry reflecting the author's significant stages in life. The pages reveal the rawness of the author's thoughts and feelings, carefully woven in exquisite verses. Each poem navigates through the daily sentiments and observations on life's darkness and sunshine.

"I would start out with a title and the magic would begin and the words just jumped out," shares Moore. He further adds that "Blue is a nickname I had since I was a teenager. It's the different shades of life that

I have seen. It is bright, gloomy, or the passionate side of things.”

T. D. Moore, Sr. will be having a meet-and-greet session at the Tucson Festival of Books to be held at the University of Arizona campus this coming March 2-3, 2019. He will be signing copies of his books at Authors Press’ booth between 10:30 am to 5:30 pm. Festival goers and readers from all ages will get a chance to learn more about the author and discuss his work and inspiration in person.
