New York City, Mar 11, 2019 (Issuewire.com) - Dr. Rodriguez is affiliated with the Joseph P. Addabbo Family Health Center in Arverne, New York, where she practices as a Pediatrician. Established in 1981, The Joseph P. Addabbo Family Health Center is a Federally Qualified Health Center that provides a wide variety of affordable, comprehensive healthcare services with state-of-the-art facilities. The services include adult and family practice medicine, allergy/asthma clinic, baby care,

birth control, cardiology, chronic disease management, dental services, advanced dermatology, family planning, HIV counselling, internal medicine, mental health, OB/GYN nutrition, ophthalmology, pediatric services, podiatry, pregnancy testing, optometry, urology, HIV specialty care, social work and WIC services for women, infants, and children. The mission of the Joseph P. Addabbo Family Health Center is to improve health, prevent issues, and treat disease by helping patients to achieve good health every step of the way.

Dr. Rodriguez received her medical degree from Pontificia Universidad Católica Madre y Maestra in Santiago de los Caballeros, Dominican Republic. Thereafter, she went on to complete her residency with Elmhurst Hospital Center.

Dr. Rodriguez is board-certified in Pediatrics by the American Board of Pediatrics (ABP). The ABP is one of the 24 certifying boards of the American Board of Medical Specialties (ABMS). Founded in 1933, it is an independent, nonprofit organization whose certificate is recognized throughout the world as a credential signifying a high level of physician competence. Certification by the ABP has one objective -- to promote excellence in medical care for children and adolescents.

Pediatrics is the branch of medicine that involves the medical care of infants, children, and adolescents. The American Academy of Pediatrics recommends people be under pediatric care up to the age of 21. As a pediatrician, Dr. Rodriguez provides medical care to people ranging in age from newborns to young adults. She is trained to examine, diagnose, and treat children with a wide variety of injuries and illnesses through all of their developmental stages, as they grow and mature.
