All of Wanderful Inc.'s interactive storybooks provide important lessons to help young children learn English, as well as Spanish and Portuguese. Teaching word pronunciation, recognition, and meaning these interactive storybook Apps engage children for hours, weeks, and years while they learn with stories, songs, and activities. Plus the Classroom Activities curricula guide that accompanies each storybook brings lessons from the story into the classroom, with activities aligned with Common Core State Standards.

Through AWE Learning's partnership with Wanderful, Inc, their educational software titles will reach a larger audience and will positively impact early learners. Wanderful, Inc's educational activities help young learners to build school readiness skills, lead them to be successful in the classroom, and in their
